

We present the lyrics of these songs as a guide to the audio CD. Parts and vocalizations repeatedly sung by the chorus, are not always present in the text, but become evident as you listen to the music. Songs have been composed for the derived stage play.

CD printed and distributed by Amazon.com and CreateSpace eStore. They can also be listened to at our website www.fairyandmouse.com

The first 5 songs have lyrics in Spanish, followed by the same 5 songs in English, with an instrumental song on a musical theme, in between them.

- Music and lyrics of all the songs by SergioS.Cordero.
- Orchestration and musical arrangements by Alephsus Valdéz and José Francisco Cortés.
- Sung by the Choir of the National School of Music / National University of Mexico (UNAM), Coro de Niños y Jóvenes Cantores de la Facultad de Música/UNAM (39 choir singers) and Ricardo Castrejón Mayorga as tenor, under the direction of Patricia Morales, choir director.

The Tooth Fairy Song

x2 { Welcome the Tooth Fairy
Tonight is a night merry
Take it to my magic chest
And don't forget about the rest
In the childhood of my life
x2 { Welcome the Tooth Fairy
Tonight is a night merry
The tower of light it shines so bright
with the children's memories

— follows a musical bridge—

First time around,
please bring me a crown
King or queen a lovely scene
And our destination is a celebration:
The day of the children's crowns
¡Hoy viene EL RATÓN! (*spanish remark*).

Together we'll make it on time

x2 { Tic-tac, tic-tac, tic-tac, tic-tac, tic-tac
x2 { La la la la, la la la la la
Tic-tac, tic-tac, tic-tac, tic-tac
There is no problem we can not face
Together we'll make it on time
Tic-tac, tic-tac, tic-tac, tic-tac

—follows a musical bridge and children's buzz at home.
Hurry up! We have to get to school on time —

x2 { La la la la, la la la la la
 Tic-tac, tic-tac, tic -tac, tic-tac
 There is no challenge we can not take
 Together we'll make it on time
 Tic-tac, tic-tac, tic-tac, ¡yeah!

Sunny skies in your eyes

x2 { Sunny skies in your eyes
 Happy and smiling if you try
 Hand in hand walking together
 I wish this day could last forever
 La la la la la, la la la la la la la
 Having the time of your life
 Look up to the sky, there you can fly
 Open your wings and listen
 A melody plays a beautiful day
 Is filling your life with music
 La la la la la la, la la la la
 Having the time of your life

—follows a musical bridge—

Watching you grow, new things to show
 Happiness to remember
 A secret will say, this child is to stay
 And be in my heart forever
 La la la la la, la la la la la la la
 Having the time of..., having the time of...

Sunny skies in your eyes
 Happy and smiling if you try
 Piriri-ram papirari-ram
 Param, parara pararara
 Sunny skies ¡Yeah!

Days of wonder, Eyes of wonder

Days of wonder, days of wonder
I still recall, in my heart and in my soul
You were the light and joy
Days of wonder, eyes of wonder
What do you see, fairies, castles
laughter, play
A world of fantasy, of fantasy
In times of trouble
Help me through stormy seas
And in the darkness,
Bring back the light to me
Oh Oh
If I could ride on your wings and be free
Days of wonder, eyes of wonder
Days of wonder,

— *follows a musical bridge*—

Days of wonder, days of wonder
My universe, sky and sunshine
Night with stars, a rainbow to embrace
Days of wonder, days of wonder
Don't ever go,
You are the childhood my life
Love you forever more
In times of trouble
Help me through stormy seas
And in the darkness
Bring back the light to me
Oh Oh
I want to ride on your wings and be free
Ride on my bike and be free

The Rat Gang Song

We are the rat gang of this castle
Get out of the way, avoid the hustle
The tower we'll raid,
the book we'll break
A lot of trouble we surely make

- follows a musical bridge and gang's buzz -

I am a rat...you can see that
I look so mean, I don't fear a thing
And in this castle And in this castle
You are the queen ¡yeah!

Junior's Song

—Instrumental music on a theme—
